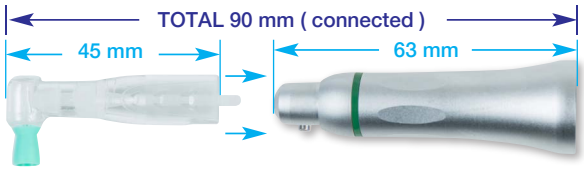
PROPHY ANGLE STRAIGHT HANDPIECE 4:1



L10-4PY Prophy Angle Handpiece Short 4:1 Reduction ... $148.50

STANDARD STRAIGHT HANDPIECE 1:1

L10-1 Standard Straight Handpiece 1:1 ..... $99.55

Time is money– It takes a lot of time, cost and effort to properly clean traditional prophy handpieces, whilst our disposable prophy angles can be as cheap as AUD $0.49 each. So it makes better economical sense to use disposable prophy angles rather than to disassemble, clean, assemble again and lubricate reusable prophy handpieces. This is why so many surgeries throughout US and the World are choosing the ease and cost effectiveness of disposable prophy angles. Disposable Prophy Angles are connected directly onto a straight attachment and discarded after every use. No messy clean up and a great way to reduce the risk of cross contamination. Polishing with easy to use, latex free disposable prophy angles is simply the best choice.
